## CHARTREUSE DE COS

NOUVELLE-AQUITAINE, REST OF FRANCE

Chartreuse de Cos is an enchanting property in the country of wines, France. The estate is composed of a timelessly elegant castle designed by Jacques Garcia and carefully manicured gardens and vineyards spreading over 225 acres. A palatial, yet secluded mansion welcomes the guests and provides them with the best wine tour experience while making the stay as unique and luxurious as possible.

The gorgeous and alluring interiors of the Chartreuse showcase some of the most prestigious designs from the period. Interiors present a glorious combination of haute couture glamor and contemporary European refinement. Pristine expansive common spaces are smattered with gorgeously furnished period furnishings and one-of-a-kind tableaus. Lustrous travertine floors navigate ultra-sophisticated common areas smattered with lavish sculptural seating and scintillating decor elements. Between eight spacious bedrooms, sixteen guests may be accommodated in utmost comfort between the luxury vacation rental's multiple suites spread out over two floors. Brimming with top-notch amenities, the Chartreuse is outfitted with recreation and relaxation facilities, including a hammam, massage room, and an indoor heated pool. While rejuvenation for the body is undoubtedly essential, there is also the wonderful and expansive wine cellar, offering an enormous collection of wines and a well-versed sommelier who will carefully guide you.

This stunning luxury estate peers into the purest distillation of France's natural majesty, offering an unmatched backdrop for a morning cup of coffee or post-sight-seeing glass of red. The captivating outdoors is defined by lush manicured lawns, vineyards and fountains fully immersing guests into the great outdoors. ## REST OF FRANCE

### NOUVELLE-AQUITAINE

As Ernest Hemingway once said, "If you are lucky enough to have lived in Paris as a young man, then wherever you go for the rest of your life, it stays with you, for Paris is a movable feast." This sentiment rings true not just for Paris but for the whole of France. It transcends being a country but a collection of feelings, memories, and dreams. Its charm lies in its ability to blend the old with the new, serving both as a muse and a mentor.
